# Know Our Story

At Ai Comfort Rest , we believe sleep is more than just rest it's the foundation of a life well-lived. Born from a dream to bring world-class comfort to every home, Ai Comfort Rest was founded by Mr. Ajay Jain with a shared vision: to transform the way people in India experience sleep.

Crafted in the serene landscapes of Bhopal, every Ai Comfort Rest mattress embodies the perfect harmony of tradition and innovation. We source only the finest materials and blend them with thoughtful design to create sleep solutions that are not just supportive, but indulgent. Each piece is a statement of elegance, comfort, and durability built to complement the lifestyle of today's discerning dreamers.

Whether you desire the deep embrace of a plush mattress, the balanced support of a firm one, or the modern versatility of a hybrid, Ai Comfort Rest offers a curated collection designed to suit your unique way of living. Beyond comfort, we bring you peace of mind knowing that your nights will be restful, your mornings rejuvenated, and your days inspired.

With Ai Comfort Rest , sleep becomes an experience. A luxury you can feel. A promise you can trust. Discover our new collection and let every night remind you why Ai Comfort Rest is more than a mattress it's where your best life begins.
